Send your little fairies on a magical journey to find Periwinkle with the help of some Disney fairy friends!

and the  
SECRET  
of the  
WINGS

This treasure hunt is very easy to make and should provide lots of fun for your little ones at home.

Simply follow the instructions below to create a set of clues to leave around your house and lead them to a magical surprise.

## Instructions:

1. Print the following pages single-sided and cut out the coloured baubles.
2. Pair the matching baubles to each other, so there is a fairy on one side and a clue on the other.
3. Once you have your 7 baubles, they are ready to be hidden around the house:

Clue 1 - Tinker Bell is the starting clue!

Clue 2 - Vidia should be placed near the washing machine

Clue 3 - Rosetta can be laid in the fruit bowl (or where fruit is kept)

Clue 4 - You can stick Silvermist on the shower

Clue 5 - Fawn can go near the TV

Clue 6 - Iridessa should be put next to the bedside light

Clue 7 - Periwinkle can go on/in the freezer

The treasure hunt begins with the Tinker Bell bauble, which you should hand to your child. The riddle on the back will lead to the location where the next fairy and clue can be found.

The treasure hunt ends with Periwinkle! To reward your little one, print off the secret note and fairy pouch and put a message and/or some sweets inside.

Once you have completed the hunt you can turn your Disney Fairy clues into Christmas decorations, just make a hole in them and use string or ribbon to tie them to your Christmas tree!
